Minneapolis, MN - June / 2010 - ***Is your organization looking for New Strategies to promote greater Purpose, Growth and Achievement?***

Debra is always passionate to work with the top people in your organization to create a program that will match the key needs of your business right now with her time-tested and proven 3-step program for home, work and life that she has developed in her 24 years in Corporate America. With her knowledge, integrity and experience, she will partner with you to tailor and customize her material for your next corporate event.

We appreciate and truly understand the enthusiasm of your next event, so let's ensure that the next steps in your planning process go smoothly. Debra is excited to stay connected to you during your pre-planning phase. She is a very articulate and organized speaking professional who will see that her message is "right on target" for your next event. Rest assured the next steps are as easy as one - two - three! So let's get started!

Contact Debra today to discuss her 3-step program for *Home, Work and Life*:

- Keynote #1: Self-Evaluation, Perseverance and Relationships
- Keynote #2: Debra's Think / Feel / Do Lifestyle

Check out Debra's website - [www.debraluptak.com](http://www.debraluptak.com), as we are confident Debra's key strategies will deliver a customized, powerful message to all levels within your organization.

It is very important to us that you get the value you need in working with Debra. Please [click here](#) to learn more or go to her site for additional online information. Feel free to call us at 1-877-821-6109 or [email](#) us directly so that we can partner with your organization today!
